

### **Blue Black Texhibition**

**Blue Black Texhibition** brings together Türkiye's leading denim manufacturers at the Texhibition Istanbul Fair, in a specially decorated area in **Hall 7**. Denim fabric holds a significant place in the textile industry with its timeless pieces, unique style, dynamic designs, distinctive touch, enduring appeal, and versatility, making it a staple in the fashion world.

Türkiye, a cotton-producing country that masters all processes such as production, design, supply, innovation, and sustainability, showcases its distinction in the global denim market through Blue Black Texhibition.

The specially decorated **Blue Black Texhibition trend area** highlights the latest trends and innovations in denim fashion, showcasing the newest designs and fabric technologies with a focus on sustainability.

Take your place at this influential gathering in the denim sector!
